### 10 O'clock Mass Begins President's Day Program

The student body of St. Michael's will officially celebrate the Golden Jubilee year of the college on President's Day, the Feast of St. Edmunds on Tuesday, November 15, the day on which the student body traditionally honors the President of the College.

The program of the day will include a Solemn High Mass at 10 A.M. in Austin Hall, a performance of "Stalag 17" at 3:00 p.m., and a Marian Year Lecture at the Burlington Memorial Auditorium at 8 p.m.

The Mass will be celebrated by the Very Reverend Jeremiah T. Purcell, S.S.E., Superior General of the Society of St. Edmund, assisted by Rev. Francis McMahon, S.S.E., and Rev. Armand Dube, S.S.E., Rev. Gerard E. Duford, S.S.E., will preach.

The reception tentatively planned by the Student Council for the President, Very Reverend Francis E. Moriarty immediately after the Mass, has been cancelled because of the serious illness of Father Moriarty's mother.

High school students of Chittenden and Franklin Counties will be the guests of the Knights and Knaves and of the Dean of Men at the afternoon performance of "Stalag 17."

#### DIRECTIVES REGARDING THE MASS

The Marian Year Lecture in the evening will be given by Rev. Paul Heinebusch, a Dominican Father. Attendance at this lecture is obligatory for all since it is an official academic function of the Jubilee Year. Each student will be given a card to present to the ushers at Memorial Auditorium.

### Debaters In Round Robin Event At UVM

Wednesday, once again saw the St. Michael's College debating team participated in the practice round-robin debates with Vermont, Middlebury, and Dartmouth. The question, "Should the United States recognize Communist China," was debated at U.V.M. with Dan O'Hear and Jack Stebbins for the St. Michael's affirmative and John Steslow and Joe McCann for the St. Michael's negative.

This debate was in preparation for the annual Eastern Debating Tournament to be held on November 19-20 at the University of Vermont. As of today, 51 Colleges are expected from Maine to Virginia. Here St. Michael's will be pitted against the finest debating teams in the East and expects to make as good a showing as last year.

On Wednesday, November 17th, St. Michael's will play host for the fourth and last session of the round-robin debates. Dartmouth, Middlebury and U.V.M. will again be represented according to Professor Edward Murphy, the St. Michael's Debating Moderator. This will be the final opportunity for practice debates before the U.V.M. Tournament.

The following directives have been issued by the Dean of Men regarding the Solemn High Mass. Seniors will form in front of Science Hall at 9:45 for the procession in cap and gown. In the event of rain, snow, or extreme cold, Seniors will not take part in the procession but be at Austin Hall at 9:45.

"The students are requested," says Father Duford, "to be at Austin Hall sartorially resplendent (dressed in Sunday best) by 9:45 a.m." Late permission until 12:30 a.m. has been granted the students on Monday and Tuesday nights, November 15 and 16.

St. Edmund Rich, patron Saint of the Society of the Society of Saint Edmund, on whose feast the President's Day program will be held, was elected Archbishop of Canterbury in 1215. Renounced in his time for his learning and his holiness, he was greatly loved by his people, but was exiled for his struggle against Henry III when that King refused to respect the rights of the Church.

St. Edmund died in France on November 16, 1240 and was canonized soon afterward by Pope Innocent IV. His sacred remains are still enshrined in the twelfth century Abbey Church in Pontigny.

The Fathers of St. Edmund also underwent exile in 1901, leaving France because of religious persecution and coming to this country.

### DOMINICAN IS SPEAKER

On November 16, the feast of St. Edmund the Rev. Paul Hinnebusch, O.P. of St. Mary's Dominican College at New Orleans La., will be the speaker in the observance of the Golden Jubilee Year at St. Michael's College. The lecture is one of a series that will be conducted at the Memorial Auditorium in Burlington marking the 50th Anniversary of the college. The program will commence at 8 P.M. Fr. Hinnebusch, well known for his writing and speaking on Mariology, will give the free lecture suitable to the Marian Year.

Father Hinnebusch will be introduced by the president of St. Michael's the Very Reverend Francis E. Moriarty, S.S.E. Father Moriarty will sing the Mass in commemoration of the feast of St. Edmund. The student program during this holiday will be directed by the Rev. Gerard Duford, S.S.E., Dean of Men and the president of the Student Council, Robert Bolster. Music will be provided by the St. Michael's College Glee Club, headed by Mr. John D. Donoghue.

Father Hinnebusch, a native of Pittsburgh, graduated from Duquesne University. He was ordained in 1944 at River Forest, Ill., and holds an outstanding degree of "Lector in Sacred Theology. He is also noted for his frequent contributions of writing to "Cross and Crown," the quarter of spiritual theology.

### Dunn, Dalton, Latimer Are Also Chosen As Officers

Joseph O'Brien, a freshman from Woburn, Mass., will head the Class of '58, for the remainder of the year. He was elected by a general vote of the Freshman class in elections held last Wednesday. He assumes office immediately.

James Dunn was elected Vice-president and will assist O'Brien in administering the Freshman class.

Also elected were James Dalton, Secretary; George Latimer, Treasurer. The council positions were captured by Philip Barr, James Breagy, William Gorman, Paul Reynolds, Donald Vandebek and Joseph Lee.

#### VIRTUAL SWEEP

The result was a virtual sweep for the Jubilee Party as all but one of the victors belonged to that group. Councilman Lee was the only winner of the defeated Student's Rights Party. They were the only competing parties.

The elections culminated a week of active campaigning on the part of both party which included posters, rallies and bond fires. A large majority of the class voted.

The elections were conducted by the senior members of the student council under the supervision of Ted Dimauro - senior president.

### Notice

The classes which were missed Thursday, November 11, because of the participation of the ROTC in the Veterans' Day Parade, have been transferred to Tuesday, November 23, as follows:

8:10 classes at 2:30  
9:10 classes at 3:30  
10:10 classes at 4:30

Because Tuesday, November 25, are also holidays, instructors of courses which meet on Tuesday, Thursday, and Saturday, may schedule a make-up class on Monday, November 15, Wednesday, November 17, or Friday, November 19, at 8:10 A.M.

Gerald E. Dupont, S.S.E.  
Dean

### Council O.K.'s Class Hockey

Rev. Father Duford told the members of the Student Council, last Monday on November 8, that "Interclass Hockey" will be introduced to the students of St. Michael's College.

Father Duford, the Dean of Men, had discussed the problem with George "Doc" Jacobs, director of Athletics, and John Buchan, Business Manager of the College, last week. They mutually consented that from now on, hockey is considered as a part of the list of the Activities Program.

The class presidents, as you have probably noticed by now, are getting the names of students in their respective classes, who are interested in the winter sport.

#### FIRST GAME

The first game is said to be scheduled for, after Christmas holidays, approximately the 6th or the 7th of January.

Father Duford went along in saying, that all St. Michael students will be requested to attend the so-called "Marian Year Lecture" on "President's Day" November 15, at 8:00 P.M., in the auditorium. He pointed out that the Air Force R.O.T.C. students were not to wear their uniforms on that certain Tuesday. Seniors are also excluded from wearing their caps and gowns.

Father Duford also gave special thought on the morning Mass that will be offered at 10 P.M. There will be a reception given after the Mass by the Student Council.

#### K AND K

At this meeting, particular notice was given on the following. The Knights and Knaves have decided to relinquish their free time on President's Day, and will present a Matinee of "Stalag 17" to the high school students of the surrounding counties. It will be free of charge and be held at 3 P.M.

THE QUEEN AND HER COURT - Geraldine Cook sits with her escort Paul Kenney after being crowned queen of the 4th Military Ball. Her court stands L-R - Anthony Agostinelli and Louise Santagada; Eileen Manning and Philip D. Nuzzo; the queen and king; Joan Williams and Paul Pastorelli; Dorothy Duval and John Seigal.

The vast Memorial Auditorium assumed a military atmosphere on the eve of November 6, as the highly polished military suited Cadets filed in with their ladyfolk for the annual Military Ball. Multicolored evening fashions were on review by the belles while their beau's displayed their qualities of military courtship.

The Highlights of the evening were the Receiving Line (Cadet Congo) led by the Very Reverend Francis E. Moriarty, S.S.E., and the

crowning of charming Miss Geraldine Cooke as Honorary Colonel. The proud partner of the queen was the blushing Paul Kenney, a sophomore.

The splendid, fifteen-piece Arabian Knight aggregation provided their usual fine music with various arrangements of both popular and old time favorites. The soothing voice of vocalist Lorraine Cofrances starting with "Embraceable You" and finishing with "Don't take your Love from Me," set the mood as evident by the

closed-eyed dancing couples. Military wise, a special detachment of Air Police were on duty as Honor Guard with salutes to all the Cadre and Cadet officers. The Cadre officers and wives were well represented and fit in well with the younger set exercising their nimble bones although restricting themselves to the slower numbers. There is a due extension of congratulations to the Arnold Air Society for a job well done in making the 1954 Military Ball one to be remembered by all.

## PRESIDENT'S DAY

Perhaps November 16 means to some students only a holiday, a day of rest away from the books distributed only by the fact that attendance at mass is obligatory. If asked why they were given the day off, some could only answer with a shrug of the shoulders and a blank expression. Their perspective in this matter (if this be their attitude) is very narrow indeed!

November 16 is St. Edmund's Day, the feast of the patron saint of the Society which staffs St. Michael's College, the fathers to whom we owe so much, the fathers whose ready sacrifices and zealous devotion we so often overlook. It has also been traditionally established as President's Day, a day set aside to honor the president of the college, Fr. Moriarty.

The Very Rev. Francis E. Moriarty returned to St. Michael's in 1952 after a two year stay as principal of Cardinal Mindszenty High School in Dunkirk, N.Y., to become one of the youngest college presidents in the United States. He had formerly been Alumni Secretary and Religion professor at SMC before moving to Dunkirk. The tenure of this young administrator has been bountifully blessed. It is he as well as the Society of St. Edmund whom we honor.

This November 16th assumes added significance in that in addition to the above, it has been set as a day of Student Observation of the fiftieth anniversary of St. Michael's. The birthday as it were, of the Society, coupled with The Golden Jubilee of SMC should prove a memorable occasion. A feature will be the Marian year lecture to be given that evening by Rev. Paul Hinnebusch O.P. of St. Mary's College, New Orleans, at Burlington's Memorial Auditorium.

The Very Rev. Jeremiah Purtill, SSE, Superior General of the Society of St. Edmund will celebrate a solemn high mass of thanksgiving and commemoration of the feast of St. Edmund at 10 o'clock. The sermon will be preached by Rev. Gerard E. Duford.

Let us on this day be sincerely present at this mass not because of any obligation but because of a willing inclination, and unite our prayers with those of the Fathers of St. Edmund on their day, for their continued success in their every endeavor.

## ADVISORY COMMITTEE TO BE SET UP BY SOPHS

At the monthly class meeting of the Sophomores on Tuesday, Mr. Kelly, lay moderator of the class, announced that Fr. Dupont had expressed his willingness to have a Sophomore Academic Advisory Committee set up, similar to the one the Junior Class now has. Purpose of the committee would be to hear the gripes or suggestions concerning the curriculum from the individual members of the class. The committee will then discuss the points brought up with each other and Fr. Dupont. In this way any difficulties arising under the new curriculum may be solved. The members of the committee will be picked from those who indicated an interest in serving on it.

Also at the meeting, those interested in having a hockey team (class) were asked to give their name to Ben Myatt, so that the number interested will be known, thus determining whether it would be feasible. Hockey will be interclass and run on the same basis as football, with equipment furnished by the school.

Just before the meeting was adjourned, a member of the class suggested that notices of the monthly meeting be posted well in advance, and in a place where all would have a chance to see it, so that everyone would know when and where the meetings were taking place. The President stated that he would take care of the matter.

## Sophomores Lead In Activity

The Sophomores have a slight edge over the Juniors in the race for the Inter-class trophy to be awarded at the end of the year.

The second year men have picked up 15 points in football and 3 in tennis for a total of 28. The Juniors have 27; with 25 in football and 2 in tennis.

The Seniors are in third place with 5 football points and 6 for tennis - a total of 11. The 12-12 tie with the Seniors in football gives the Frosh their 5 points.

### POINT SYSTEM

In case you are hazy about the point system in the new SMC interclass program, here's a rundown.

Team activities such as football, basketball, softball, hockey, etc - 10 points for each victory and 5 points for each tie game. (This is only for actual inter-class competition; not for intra-hall play.)

Tournament activities such as tennis, debating, writing, skiing, etc:-

Campus champ - 5 points for his class.

Second place - 3 points for his class.

Third place - 2 points for his class.

Fourth place - 1 point for his class.

## WSSE In Test Broadcasts

With the completion of a new control board, St. Michael's campus radio station, WSSE, will be on the air by the time we return from our Christmas vacation with a date of regularly scheduled programs. At present the station is undergoing a test period until the new control board is completed. This board is being built by Herb Ruzicka, engineer at Station WJOY in Burlington; with the \$150 appropriated by the Student Council.

### NEWS WIRE

Included in the plans for expansion is the hope that a teletype machine for the gathering of world news will be obtained through the sponsorship of Lucky Strike Cigarettes.

Because of the expansion a larger staff in all the branches will be necessary to handle the great volume of work. Students will be auditioned for jobs as soon as possible. Especially needed are those interested in advertising. Because of the great financial outlay

by Jack Stebbins

Greetings, brother rats! Tarry not in your endeavor to enter the murky depths contained herein, but rather proceed with staunch heart and strong courage and perchance knowledge hitherto unknown to you shall be unfolded. Thus it is that we waltz around campus again collecting those dribbles of information that have leaked from the pulsating lifelines of the college. (The foregoing is a passage from Elroy W. Zilch's new book, *Leaky Valve Stems*).

The elections have passed and along with the glum Republican faces on the national level there are those also of the Democrats on the Vermont scene. But a close defeat does not stop a growing army and in that connection Jack Brannon (whose father is connected with the Demo's) and Tom Johnson are hiking about campus trying to organize and join a Young Democrat Club. They hope any interested Michaelmen will do the same.

### NOW IS THE TIME

Brush up on your Spanish, gents, for the Dean of Men is studying that language now. Who knows, perhaps on one of your nocturnal visits to his office you may have an opportunity to answer the query, "Buenos notches, amigo. Donde ha estado?" You'll make a big hit if you quickly reply, "And a bunch of bananas to you, too, Father."

Major Anastasio asked the question, "What do you remember most about high school?" Jack Lynch recalled that he attended a parochial high school where the boys were separated from the girls. And when Reid Loudon was asked came the response, "We weren't!"

Fr. Hamel stunned some of his would-be philosophers in ethics class after passing back the quarterly tests by commenting, "I ask you for explanations and you give me bedtime stories. Git it!"

### ACTIVITY PLUS

Who was the conscientious carpenter that in his anxiety to repair some of the plasterboard in a den at St. James also sealed up the hot air vent? tsk, tsk.

Fred Blais was host at a quiet social gathering after the ball last week. Many of Freddy's gentlemanly little friends and their escorts attended. When asked about its success all he mutters is, "They wrecked the joint!"

Think it crazy to play golf at this time of year? Better debate the point with Fr. Dupont then, 'cause he's one of the few bravados that are intently trying to keep the sport open and a couple of these icy days have found him slashing at the ball out on the links. (If one keeps at the game long enough, one is bound to break 120.)

### EPILOGUE

And finally, are Michaelmen gentlemen? Must be so 'cause three requests for Hilltoppers to attend dances held at Mary Fletcher have been registered here in recent weeks. On the other hand, though, Websterashiltz (no kin of Daniel) defines a gentleman as: a wolf with patience. hmmm.

Time to hop into our jet and blast away, kiddies, as the show is closing. See you around the campus.

necessitated by the new equipment, advertising will play a great role in the success or failure of the station. All those interested are asked to please watch the notice board in the Dining Hall.

This year's executive board under the moderator-

ship of Father D'Agostino; is made up of Robert Wagner, SAC representative; Frank Sertorelli, station manager; Reid Loudon, program director; Richard McDowell and Charles Maynard, assistant program directors; Fred Blais, musical director; and Nicholas Barone, librarian.

## 5 UNANIMOUS ON ALL INTRA FOOTBALL TEAM

The Sophomores and Juniors dominated the Inter-class All Star Team just as they did the league in actual play. The team selected by the four coaches features five Sophs, four Juniors, one Senior and one Freshman.

The coaches - Dave Foley, Frank Cotter, Dick Spreer and Cary Hamrah - were unanimous in picking Tim Foley, Don Cook, Jim McCormick, Paul Provasoli, and Ray Jacques.

### THE 1954 INTERCLASS ALL STAR TEAM

Ends	- Tim Foley Fran Wallace	Jr. Soph.
Tackles	- Don Cook Ron Mastroberardino	Jr. Soph.
Guards	- Clay Bridgers Jim McCormick	Sr. Soph.
Center	- Dave Hurley	Soph.
QB	- Paul Provasoli	Jr.
Half-backs	- Ray Jacques Ed Cashman	Soph. Fr.
FB	- John Lennon	Jr.

HONORABLE MENTION: END- John Lynch, Sr. TACKLES : Dan Kennedy, Jr., Paul Kehoe, Sr., Joe Vanderbeck, Fr. GUARDS: Bob Desroches, Jr. CENTER: Bob Gasser, Jr., Dick Dalia, Sr. HALF-BACKS: Paul Palmer, Jr., Jay Tierney, Soph., FULL-BACK: Frank Sayra, Sr.

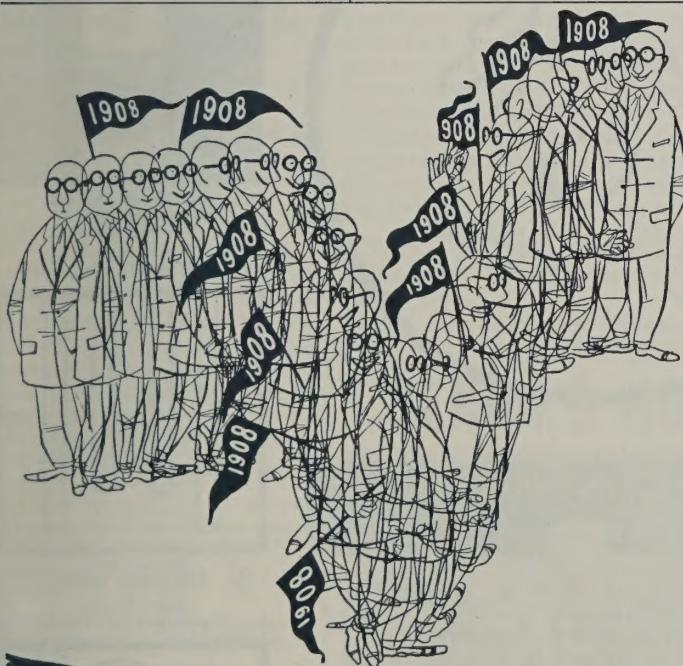

## Ryan II A, Ryan II B, St. Pat's Winners

With football fastly becoming a memory, intramural basketball stepped into the spotlight on campus. Ryan I got the league underway by nipping Ryan 2 A 30-27. Jack Lennon and Bill Leuchten split 17 points to lead the victors. Hank Berry topped the losers with 9.

Ryan 2 B was no match for Ryan 3 A as they dropped a 37 - 9 decision. Bellcourt and Smith led the winners with 8 apiece. Rick Kliff's 16 points sparked a St. Leo's

34-31 victory over Ryan 4. St. Patrick's led all the way as they vanquished St. Will's 40-34. Bob Capprio poured ten points through the nets to lead the Patrickmen. Old Hall 4 overwhelmed St. Johns 25-11. Lewandowski led the scoring with an even 10 points.

In the final game reported Old Hall 3A outlasted their Hall Brethren Old Hall 3 B, 41-33. Jim O'Sullivan was high with 16. Dudzinski threw in 14 for the B team in a losing effort.

## Inter Class Hockey

Interclass hockey will be played if the classes show enough interest, Rev. Gerard E. Duford, SSE, revealed at the Student Council meeting, Monday night November 8.

Father Duford met with Athletic Director, George "Doc" Jacobs and Business-Manager, John Buchan last week to iron out details. They decided that hockey could be played.

The rink will be set up on the football field and will be ready for action after the Christmas holidays. The school has the equipment, the classes must furnish the players.

## Glee Club Dance Set For November 29

The Glee Club will hold a dance from 8 to 12 on Monday, November 29th in Austin Hall. The "Mambo Melody" will have music provided by the Nu-Tones.

The proceeds of the dance will be used in an attempt to buy uniforms for the Glee Club. These uniforms will be kept by the college for use by future Glee Club members.

An effort is being made to extend the club's activities. A tentative engagement has been scheduled with the College of Our Lady of Elms of Chicopee, Mass.

Tickets for dance are being sold at \$.50 and may be obtained through any Glee Club members.

## Cinema Club Active In Burlington Area

The Cinema-Art Club of Burlington is now one year old. During the past year problems of organization, policy, membership and a method for the selection of films were discussed and solved. In addition a large number of interesting films were shown.

### Membership

Anyone interested and willing to attend (or send a substitute) at least one-half of the meetings can become a voting member entitled to participate in the selection of the programs. Anyone not willing to attend (or send a substitute) at least one-half of the meetings can become a voting member entitled to participate in the selection of the programs. Anyone not willing to commit himself may come as a guest, but he will then not be entitled to vote. Everyone is urged to bring friends who would be interested in our programs.

### Time of Meetings

Once a month during the academic year, at 8 P.M. sharp on Saturdays and Sundays. The following dates were selected: November 21, December 12, January 16, February 20, March 20, April 17, May 15 and June 5. Members are requested to put these dates in advance in their appointment books. The meetings will last about 2 hours.

### Place of Meeting

Home of Dr. Eugene Lepeshkin, Coordinator of the Club. 75 Bilodeau Court (at end of street off East Avenue).

## 12-12 Tie For Cellar

A hard charging Senior line highlighted the final game in the Inter-class League as the Frosh and the Seniors battled to a 12-12 tie last Sunday.

Sam Rizzeri was the spearhead as he twice blocked punts that set up the two Senior scores. The first came in the second quarter after Pete McMahon gave the Frosh their first score on a twenty yard dash. It wasn't until the final quarter that Rizzeri had the opportunity to duplicate his feat. Sam made the most of his opportunity as he not only blocked the punt but also recovered it. This set up a quarterback sneak by Tom Cowell which matched a Sylvester to Battles pass earlier in the half.

A Sylvester to D'Archangelo pass set up the first Frosh score early in the first quarter. The play originated on the Frosh 48 and terminated on the Senior 20. A play later McMahon waltzed around end with nary a hand touching him, and the score was 6-0.

The second quarter was played almost entirely in Frosh territory. Rizerri's first block gave the Seniors their break. Tom Cowell and Jack Lynch combined their efforts when it looked like the Seniors were going to blow their chance. With

Lynch on the receiving end of a Cowell pass the ball went from the Frosh 40 to the 5. Sal Carbone climaxed the drive with a five yard dash.

In the second half Sylvester found the range again. A forty yard pass from Sylvester to Battles set up the score, as the Frosh had a first down on the Senior 7. Unable to move on the ground Sylvester hit Battles again for the score.

The Seniors, personified in Mr. Rizerri, were not to be denied. With the ball deep in their own territory the Frosh chose to kick out. At this point Rizzeri catapulted through the line and blocked the kick. Sam beat everyone else to the elusive pigskin and the Seniors had the ball on the Frosh's five.

Tom Cowell ended the scoring with a one yard sneak. Thus there will be no middlemen in this years Inter-class League. The Juniors and Sophs tied for first, and the Seniors and Frosh are in a dead heat for last.

A nod not only to Rizzeri but also to Clay Bridges an outstanding Senior lineman all season. Equal plaudits must go to Ed Cashman Frosh back. Ed proved himself not only a fine offensive back, but also an aggressive linebacker.

## MICHAELMAN FAMILY FINDS TRAILER CAMP NO ORDEAL

The Montgomery Family. Dick, wife Mary Ann and daughter Roxann sit in the comfort of their trailer home.

By Walt Bellcourt

Several attempts have been made by our present-day scholars to arrive at and adopt an adequate curriculum to produce knowledge-groomed students. These theorists, following a thorough research in the academic world came forth with answers to what they considered an "intergrated individual." There's no doubt that there are others who hold their own conceptions of the "intergration theory" and live according to their convictions. But it is in the effervescent life of Mr. Richard Montgomery that we discovered this quality fostered in a wholehearted fashion.

### VICTIM OF THE ALTAR

Dick became a Knight in nineteen fifty-two after a two year stay at Dartmouth College. He surly found this North country lonely for he was only a few weeks when he became a "victim of the altar," marrying his hometown Connecticut belle, Mary Ann. They purchased themselves a trailer, parked it behind the C'est Ci Bon and have been enjoying life there ever since.

A few important additions have been included since that time. They are the proud father and mother of

Roxann, their brown-eyed native of Vermont. Next is Freckles, their dog. Now Freckles isn't just an ordinary pet since he performs tasks which we would ordinarily consider our of a dog's realm. Freckles vehemently eliminates all the buzzing flies from the Montgomery domicile. He even plays grocer now and then by bringing home the meat for supper. (squirrels, rabbits etc.). A white picket fence surrounds their thirty-three foot mansion and they even have a little green grass to blend in.

### MANY ADVANTAGES

It is in light of the last two years that our hospitable couple are so well-convinced of their many advantages as a trailer owner. They find it cheaper than renting an apartment, easier to heat and clean; but aside from those assets they are also convinced it is "cozy." Mitzi (Mary Ann's nickname---they don't own a cat) is quite helpful when it comes to Dick's homework too! Of course, no one hears Deputy Commander Dick complaining about the home-cooked food (he steers clear of the chow hall), the ice cold beer in the ice-box at all times or the late lights at his disposal. If that's not "intergration" ----pray tell, name it!

A real crazy way  
To make jet-propelled  
jelly  
There's this about flying  
Remember the rule:  
It just isn't done  
When you haven't got fuel!

It looked like the 200 couples at the Ball on Saturday night were having a good time. Music provided by the Arabian Nights was excellent, though the sturdy couples who stayed until the last gun was fired were afraid for awhile that they weren't going to play the "bunny hop" for them. The attractive Honorary Colonel was given the appropriate Arnold Air Society insignia, as well as a bouquet of flowers.

They finally reached the top - Cadet Colonel Bolster, following the example of many of his officers, has his own F.85D model in his room. It is rumored that a snap inspection may be pulled any day on all Cadet officers' rooms - no model jet, no promotion!

**SEVEN FLY**

Over the weekend, seven cadets got a chance to fly in the C-45 at the base. Each one of the Cadets - five freshmen, one sophomore and one junior, got a chance to handle the controls for awhile as they flew around the local area.

This year makes the fourth year in a row that St. Michael's cadets have been invited to participate in the Veterans' Day Parade in Burlington. They have consistently outshone other outfits, and expect to do at least as well as previously this year, as they have been "Bolstered" a great deal this Fall.

Even more recently, 15 faculty members, at the invitation of Ethan Allen Air Base, toured the flight

## NFCCS Workshop Is Held At Trinity Sun.

St. Michael's College and Trinity College were hosts, last Sunday afternoon, to the New England Region Confraternity of Christian Doctrine Commission of the NFCCS. A workshop was held at Trinity College and not only St. Michael's and Trinity but also the Newman Club of the University of Vermont were represented. Two students from each school presented a short talk on various subjects relating to the teaching of catechism to Catholic public school students in the area.

St. Michael's was represented by Walt Bellcourt, who spoke on teaching public high school students, and John Query who spoke on the duties of a catechist.

line themselves. They went through a procedure similar to the Juniors'. The priests and brothers present enjoyed the selves immensely, crawling over and under F-86's.

Following AFROTC policy, guest speakers will be present often throughout the year in Advanced Course classes. Purpose of the speakers will be to familiarize the cadets with some of the practical aspects of Air Force life. It is felt that too often in the past, AFROTC graduates have gone in the Air Force "blind"; they had received a lot of theory, but little knowledge of immediate value.

Two new tax-exemptions are expected within a short time in the families of Captain Kiernan and Lt. Delmerico - both exemptions are due about the same time, so keep your eyes on Rooms 117 and 121 in Old Hall, and you may be the recipient of a couple of cigars!

## A New Pilot?

Fr. Alliot, one of the original founders of St. Michael's, displays the wares of a jet pilot in a recent visit to Ethan Air Force Base.

## WHAT'S THIS?

For solution see paragraph below. Doodle submitted by Michael Gross, C.C.N.Y.

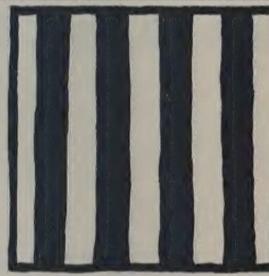

**COLLEGE SMOKERS PREFER** Luckies—and by a wide margin—according to the largest and latest coast-to-coast college survey. Once again, the No. 1 reason: Luckies taste better. They taste better because Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. The pleasure you'll get from Luckies' better taste is vividly depicted in the Doodle above, titled: Modern artist enjoying Luckies while glancing in mirror. See the ecstatic smile? Well, you, too, can be happy. Just go Luckys!

Better taste Luckies...  
**LUCKIES TASTE BETTER**

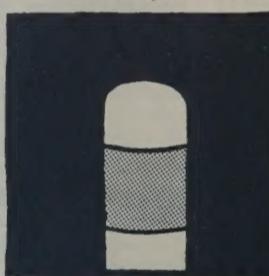

CLEANER, FRESHER, SMOOTHER!

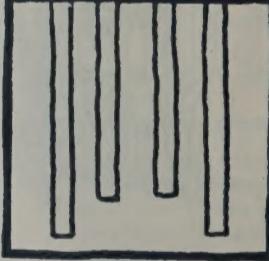

"IT'S TOASTED"  
to taste better!
